

(Senior) Quality Engineer (m/w/d) E-Vehicles

(11183)

Direct Placement

Welcome to SPP Direct - IT & Engineering

We are currently seeking a **(Senior) Quality Engineer (m/f/d) E-Vehicles** for our client **near Frankfurt**.

As specialists in job recruitment, we offer candidates attractive positions with interesting responsibilities in prestigious companies.

Your Benefits:

- Work within a **growing team of highly talented and dedicated professionals**
- **Develop customized vehicles** for the European market
- Collaborate with a **flexible and motivated team**
- Support vehicle development both locally in Europe and globally
- Close cooperation with teams at headquarters in China

Your Responsibilities:

- Handle customer complaints and warranty concerns in the region
- Translate customer feedback into technical requirements and work closely with the global engineering team to find solutions
- Conduct in-depth analysis of key warranty issues and identify improvement opportunities
- Coordinate cross-functional teams to continuously improve product quality (design, engineering, processes)
- Manage quality assurance and preventive measures (FMEA, War Room processes) for the product line in the EU region
- Take responsibility for lessons-learned processes to integrate into new development projects
- Develop and implement critical quality requirements (CTQs) for product lines in Europe or globally

Your Profile:

- Completed degree in automotive engineering, mechanical engineering, energy engineering, or a comparable field
- Several years of experience in a similar position in vehicle quality
- Ability to balance vehicle and system objectives to meet regulatory requirements and ensure high customer satisfaction
- Willingness to travel and possession of a valid European driver's license
- Readiness to work in an international and intercultural environment
- Proactive and self-motivated work approach
- Strong communication skills with an open and structured mindset
- Proficient computer and presentation software skills (MS Office, etc.)
- Fluent language skills in English and Mandarin complete your profile

Note: All designations apply to all genders.
